Nationally recognized with an
“A” grade
for patient safety.

**We’re one of America’s
safest hospitals.**

The colleagues of HSHS St. Anthony’s Memorial Hospital work hard to prevent infections, double-check medications and keep patients free from harm. During this challenging time, we are proud that St. Anthony’s is the only hospital in the area to be nationally recognized with an

“A” grade for patient safety.

Dear Friends,

As I write my final introduction for the Chamber 360 Magazine, I do so with gratitude for the many opportunities that the Chamber has provided to me throughout my 40+ year career. And, I know as I move forward into retirement, the Chamber is in very capable hands with great leadership in the Board of Directors, staff and our supportive membership.

As we reflect on 2020, we salute our business community for their resiliency in finding new ways to operate their business while continuing to contribute to the success of Effingham County. The Chamber also refocused our work to provide the resources businesses needed while convening conversations to keep Effingham County strong and growing.

We learned in 2020 that:

- Together we are Stronger.
- Together we are Better
- Together we Succeed.
- Together we Inspire
- Together we Grow.

This 10th anniversary issue of the Chamber 360 magazine is filled with information about how we serve

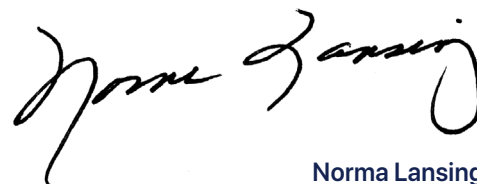

our members and how we reach out to the community to build leaders and the workforce, grow businesses and strengthen networks. If you find something you want to know more about, please reach out to us.

We love hearing from you and doing our best for you. It takes all of us to make Effingham County the very best place to live, work and do business.

I can't end this message without mentioning our national Chamber of the Year recognition. We are proud of this recognition by our industry peers. We are even prouder to share this award with all of you. YOU are the reason we received this treasured designation.

Thank you for the many wonderful opportunities I have been able to experience during my time with the Chamber. It has been an amazing journey!

Best wishes for an outstanding 2021!

COY Shout-Out

"That is AWESOME Norma!!! Congratulations and thank you for your steadfast leadership of the Chamber through good economic times and bad. This award is truly a testament to the organization you have built over four decades, and well deserved accolades for your leadership!"

Jonathan "Josh" Bullock, PH.D.
President, Lake Land College

WOW! What a year 2020 was! COVID-19 touched every single facet of our lives ... and it was not pleasant. Good News - we survived it and even thrived in it. I am proud to say that the Effingham County Chamber, with Norma's

leadership, found new ways to help and educate its membership. The Business Grant Program – where more than eight businesses received money to help them survive. There were weekly seminars on how to survive, how to obtain PPP funds, and how to stay on course during these tough times.

The Chamber staff worked hard keeping in touch with everyone. Becky Brown won a prestigious Sales Award! Effingham County Chamber was named Chamber of the Year for the United States and Canada. We had successful fundraisers ... virtually.

The list goes on and on, but the end result is we will be better from this and it is all because of our Chamber Membership! We sign up, show up ... and we participate!

Looking forward to a healthy and prosperous 2021!

Support for Small Business Grant Program

The Foundation established the Support for Small Business Grant Program to provide timely and meaningful financial resources to businesses significantly impacted by the COVID-19 pandemic. The funding served as a bridge to assist with the long-term sustainability of the local businesses. \$15,000 in grants were awarded.

Dive In

A \$5,000 grant from the Southeastern Illinois Community Foundation was received to support The Foundation's Diversity & Inclusion initiative - DIVE In - to provide a welcoming and accepting environment for the diverse population of Effingham County. The grant supports development of a community app that can be accessed by all consumers and visitors to Effingham County to find information and resources about services available in the county. The effort also received a \$1,500 grant from the Koboldt Charitable Trust, administered by Fifth Third Bank. The trust funds the efforts of nonprofits to effectively and efficiently relieve or alleviate human suffering in Effingham County. The funds will also be used to develop outreach materials to new county residents, including creating welcome baskets. Board of Trustees to assist with funding the building construction, the Effingham Regional Career Academy is moving steadily toward offering classes beginning in Fall of 2024. This timeline could be pushed forward with successful receipt of state grant funding.

The ERCA will be housed in a new 40,000 square foot Rural Development and Technology Center to be constructed south of the Lake Land Kluthe Center in Effingham's Technology Center.

Coursework is being developed in five career areas - Advanced Manufacturing, Agriculture, Automotive/Transportation, Health Care and Information Technology and will provide training opportunities for incumbent and adult learners as well as expose high school students to high demand careers.

By creating targeted educational opportunities and a pipeline of skilled individuals, the ERCA will positively impact future access to a skilled workforce and the region's agility in adapting to future industry trends. To learn more, visit erca.us.

Effingham County Vision 2020 comes to a close

While we weren't able to celebrate the conclusion of this major

community impact initiative, there is no question that Effingham County Vision 2020 has impacted Effingham County in ways that will be felt for years to come. Projects like Trails Recreation Effingham County (TREC) and the Effingham Performance

Center, events like the Effingham Artisan Fair and Community Celebration of Excellence Breakfasts

and organizations like Effingham County CEO, Teutopolis Community for Progress and the Effingham Regional Growth Alliance came about as a result of people coming together and building a positive future for Effingham County.

The future is bright for Effingham County because we've engaged dedicated and caring people who are ready to roll up their sleeves and visit what that future will be. If you want to be a part of creating Effingham County's future, contact the Chamber at 217.342.4147.

Human Trafficking Initiative

The Effingham County Chamber has worked diligently to raise awareness for human trafficking, which is one of the most under-reported crimes in the nation and considered to be modern day slavery. In 2018, the Chamber organized a community coalition consisting of health care leaders, human service agencies, law enforcement, local business professionals, and a victim advocacy agency, as well as victims themselves.

This group, now known as the 57/70 Task Force, has held community meetings and online presentations, which have drawn the attention of thousands of area residents. Educational videos targeting health care workers, religious leaders, educators and young people have been created and distributed. The 2021 activities will include participation in a national billboard

campaign, monthly online interviews and discussions, building alliances with other human trafficking organizations, and the creation of a website.

Please visit bit.ly/EffCo_HTAG for more information on this group and human trafficking.

Strengthening Our Workforce

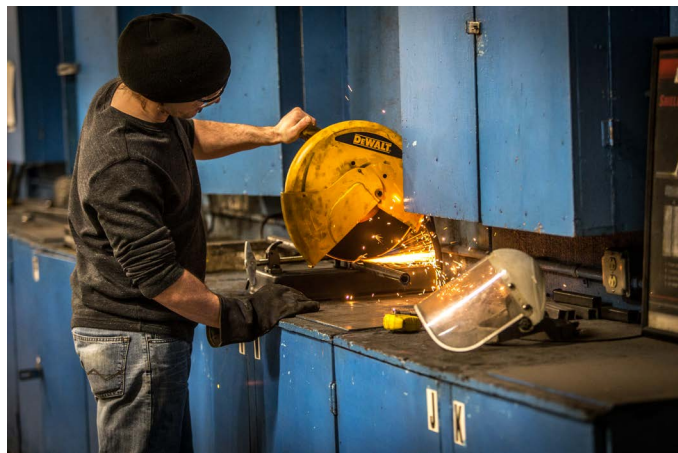

Attracting and retaining key employees is crucial to the success of employers locally and around the country. The Chamber's Workforce Development Division's goal to ensure a stable employment base for the area brings employers, educators, students and other community resources together to identify opportunities and

create connectivity between employers and potential employees.

The entry point to employer/employee connections is the Chamber's website: effinghamcountychamber.com.

Whether a job seeker is looking for that first job opportunity, thinking of relocating or considering a career change, the Chamber is the key place to begin their search. Employers can use the Chamber's complimentary Job Postings to attract qualified employees and find additional resources. A comprehensive web platform can be used by students to research local job opportunities and training and certification.

An emphasis on helping local employers engage in internship and apprenticeship opportunities will be a focus of 2021 initiatives.

Niemerg's Steak House served its first customer in 1978 under the leadership of two 23 year old kids - Gene Niemerg and Dennis Sandschafer. High school classmates who learned as the business grew and worked countless hours to make them successful.

The company started with a staff of about 20 people in 1978 and are proud to now be a team of 170 members under the leadership of the second generation. Multiple members of the Niemerg's team have been with the company for over 35 years and there are several employees with 3rd generation family members working at Niemerg's. The company proudly employs over 50 high school and college students who earn extra college scholarships for every hour they work. All of Niemerg's success can be attributed to their staff, past and present, who the owners have been blessed to work with on a daily basis.

Niemerg's is grateful for the overwhelming support from Effingham County and the surrounding area. This support has allowed the company to grow for the past 42 years including 8 major expansions to the building and countless renovations. Both dining rooms, the bar, and the kitchen have been expanded multiple times.

The current addition being made is the smallest to date - a pickup window - born out of necessity due to the global pandemic. Customers are now able to be served carryout dinners in the comfort of their own vehicle.

In addition to the unwavering local support, Niemerg's is a major attraction to travelers who note that they planned their trip so they could be sure to stay in Effingham overnight and have dinner at the restaurant. The staff has gotten to know many of these travelers and they are like long lost friends stopping by for a visit.

The challenges brought on the hospitality industry, specifically restaurants, have made Niemerg's a stronger company - they are proud of their teams' ability to adapt with what seemed like daily and at times hourly changes to the way in which they do business. A focused "All in it Together" approach allowed them to continue serving their loyal customers, many of whom are like family.

Niemerg's is a big supporter of shop local and does their best to always use local suppliers for products and services whenever possible. They are also proud to support a number of local organizations, including local high school athletics, FISH, Catholic Charities, Right to Life, United Way, Effingham County Chamber of Commerce and Crisis Nursery of Effingham. Effingham is blessed to have these and so many other organizations supporting each other.

Niemerg's mission is to Gather, Serve and Give. They are committed to continuing to bring people together, in their dining rooms, at a catered event, or with take out meals at home. They are proud to have an amazing team, who will continue to serve their customers and do everything within their ability to make the customer experience as enjoyable as possible. They look to their continued success to give back to their community and those in need.

Niemerg's is blessed to be a part of Effingham County. As a locally owned, independent restaurant, they are honored by the support received the past 42 years and are committed to continuing to grow with Effingham County and the needs of their customers. They are privileged to serve value packed, family dinners to Effingham county.

Visit Niemerg's Steakhouse at 1410 W Fayette Ave., Effingham, IL 62401, online at NiemergsSteakhouse.com, or by phone at (217) 342-3921.

HSHS ST. ANTHONY'S MEMORIAL HOSPITAL is proud of its long-standing dedication and commitment to quality, compassionate health care in the Effingham community. Since 1875, the health care needs of the sick and poor have been met by the Sisters, medical staff, colleagues, and volunteers of St. Anthony's.

St. Anthony's continues to take steps on its journey to excellence on behalf of patients and

their families to provide quality care close to home. Some milestones on this journey in early 2020 included accepting the 2019 Silver Award for Excellence from the Illinois Manufacturing Excellence Center (IMEC) in February 2020. This award demonstrates the hospital's ability to provide exceptional care, quality, safety and experience to patients. That was soon followed by receiving The Joint Commission Gold Seal of Approval® for advanced total hip and knee replacement certification in June 2020.

St. Anthony's is one of only two hospitals in the state of Illinois to have achieved this advanced orthopaedic certification. St. Anthony's first received this advanced certification in 2018.

Beginning in March 2020 and ongoing, the arrival of the world-wide Coronavirus pandemic (COVID-19) completely changed the way St. Anthony's and many other organizations conduct business. Colleagues had to adapt quickly and change processes, protocols and safety precautions to ensure their own safety as well as that of their patients. Innovation has been a focus at St. Anthony's over the past number years and that became a mainstay over 2020. Despite the challenges and difficulties throughout the year, hospital colleagues and providers continue to persevere in living out the Mission to reveal and embody Christ's healing love through our high-quality Franciscan health care ministry.

For more information about HSHS St. Anthony's Memorial Hospital visit 503 North Maple St., Effingham, IL 62401, online at stanthonyshospital.org, by phone (217) 342-2121, or email saecommunications@hshs.org.

JOHN BOOS & CO. adapted and changed throughout 2020 as the shifts of the year presented challenges during COVID-19. A new emphasis was placed on cooking family meals at home. Boos Blocks butcher block cutting boards filled this demand for durable and sustainable hardwood prep surfaces. Chefs once seen on popular food shows such as Chef Geoffrey Zakarian of "The Kitchen" and Chef Jet Tila of "Team Tila" and actress Jennifer Garner were found at home filming themselves creating their favorite dishes in quarantine for youtube and social media. Kylie Jenner posted videos of her and her daughter Stormi making Christmas

cookies and Grinch cupcakes together. Everyone seemed to turn to Boos Blocks in 2020 to find their happy place, despite the challenges.

Boos also supplied stainless steel worktables to a temporary pop-up hospital and

manufactured hygiene products such as mobile hand wash stations, hygiene stations, sanitizer stands, and worktables to assist in the demand of the pandemic. Boos is strongly dedicated in working with their customers in designing value with food safety in mind.

Currently, nearly 300 creative, intuitive, skilled and eager to grow men and women in Effingham County and surrounding areas have found engaging employment at John Boos & Co. offices and manufacturing operations.

Since its beginnings in 1881, **MIDLAND STATES BANK** has grown to reach customers throughout Illinois and the St. Louis metro area. Both Effingham and the bank have changed quite a bit in the past 140 years, but their commitment to you, our neighbors, hasn't. They understand that building a community bank is more than having a local branch with four walls and a roof.

It's about offering not only what customers need, but also what they want. They continue to provide the Effingham area a wide range of products and services for any stage of life: personal banking, business banking, and wealth management. They make sure their financial offerings help you meet the goals in your life, but in a way that is available anytime, anywhere. This is their promise to give you Banking Built Better.

Banking Built Better also means they care about the people making deposits more than how much they're depositing. Especially in a global pandemic. To alleviate additional hardships faced in 2020, the Midland States

Bank Foundation presented \$250,000 of additional grants to support COVID-19 relief efforts throughout the local communities. The grant recipients worked to address urgent needs for food, shelter, rent and utility assistance, primary health care, and mental health services. Since its inception in 2011, the Foundation has awarded over \$1,150,000 to non-profit organizations throughout Midland's footprint.

They are a community bank, who is proud to call Effingham home. If you're looking for more built into your financial services, we're that partner. We're Banking Built Better.

SINER AUTO DETAILING first started in October of 2020 by Parker Siner. The business began with a little attention to detail on various family members' vehicles and neighbors' vehicles. This then led to something bigger and

better. Siner Auto Detailing started overnight on October 16th of 2020. The creation of a website and a logo took many countless hours, but came together in the end. While they are small and new to the community, they have reached over

30 new clients and continue to grow daily.

The services they currently offer are the following: an interior detail, exterior detail, or a full detail. We chose these services based on

what the greater Effingham area would truly want. The process of detailing a vehicle goes into

every detail of every square inch of your vehicle. Our team spends hours on vehicles and won't return it until it looks perfect. Siner Auto Detailing wants to not only protect your investment, but also prolong its lifespan.

The team at Siner Auto Detailing takes pride in giving their customers what they deserve.

For more information, please call (217) 821-5900 or visit their website at sinerautodetailing.com.

Thanks for the memories, Norma! It's been a wonderful journey!

"I heard about your retirement and wanted to send a congratulations! Congratulations on a truly incredible career serving the Effingham area. You've done so many positive things for our community and have impacted so many lives - including my own ... You've been an inspiration to me and I'm so thankful for your mentorship."

Maria Kuhns, 2015 CEO Mentee

"Congratulations on your retirement. You will be missed, however, you have earned time to enjoy with family and friends, with fewer deadlines in the way! The Chamber will do well, thanks to the many resources, processes and events you put in place. I'm grateful to have worked with you on many projects and launching of Effingham County Vision 2020, Effingham Regional Growth Alliance, Effingham Regional Career Academy, Effingham County Manufacturing Day, the Business Outreach Center and more."

Dan Woods, Woods Advisors

"I wish you well in your retirement. You should walk away very proud of what has been accomplished during your tenure. I was proud to serve on the board many years ago."

Chuck Deters, Dieterich Bank

"Thank you for all you've done for your community and the chamber profession. I'm grateful for your service."

*Sheree Anne Kelly,
President, Association of Chamber of Commerce Executives*

"Just a brief note to thank you for the many years sharing your vision, gift, talents, energies with the Chamber. What a gift you've been to our community. We were blessed - lots happens in our community and we are open to future opportunities. May an awesome God bless you as you open to another journey."

Sister Jane Marie Hotze

"Thanks for your herculean efforts on behalf of Effingham over the past decades of service at the chamber. I don't think that it is a coincidence that your tenure as president coincided with so many great successes in the Effingham community. You leave incredibly large, Ronald McDonald sized, shoes to fill in your absence."

Justin Roley, Land of Lincoln Credit Union

"What a wonderful career you have had. Thank you for your leadership and dedication to the Effingham community. You will be missed, but not forgotten. Your smile and sincerity lit up the room when you were present. Again, CONGRATULATIONS."

Chuck Hartke

I am happy to have had the opportunity to work with you on projects and see all that you accomplished and how you advocate for our local businesses. Not sure what the Chamber will do without you to be honest. I know you will be missed by many. So thank you for all you have done and congratulations on your retirement.."
