LETTER FROM THE PRESIDENT

As we head into a new year, I can't help but reflect on the momentum we've built together. Serving as President & CEO of the Chamber continues to be an honor—and honestly, a lot of fun—thanks to the incredible people and businesses that make up this community.

This past year was full of growth and energy. We welcomed more than 60 new members, strengthened relationships with our affiliated partners, and watched our committees truly thrive in business development, workforce development, and legislative affairs. When passionate people show up and get involved, the Chamber works exactly the way it should.

One of my personal highlights was our Day in Your Shoes campaign. Spending time inside member businesses—learning what you do, how you do it, and occasionally proving that I should absolutely not quit my day job—was both eye-opening and entertaining. More importantly, it helped us listen better, understand real needs, and continue shaping Chamber programs that actually work for our members.

You may have also noticed our social media presence growing. That growth is largely fueled by me occasionally looking like an idiot on the internet—but if it helps highlight local businesses and get more eyes on the great work happening here, I'll take one for the team.

SO WHY DOES THE CHAMBER MATTER?

Yes, more businesses mean growth—but the Chamber isn't just about joining to get more business. It's about investing in our community. When businesses are supported, connected, and prepared, everyone benefits. That's why our focus continues to include networking, workforce and education initiatives, leadership development, marketing opportunities, and building a stronger community overall.

Looking ahead, we're building on what's working—and making changes where members told us they wanted something different. In 2026, you'll see new and refreshed initiatives like Interview Day, Industry Roundtables, and our reimagined First Friday Lunch program, now called Networking @ Noon. Expect more intentional connections, including speed networking at local restaurants—because networking should be useful, not awkward.

On a personal note, it's been incredibly rewarding getting to know so many of you and celebrating milestones big and small. Working alongside you—sometimes literally inside your businesses—has been one of the most meaningful parts of this role.

None of this happens without an amazing team. I'm incredibly grateful for Becky, Nicole, Michelle, and our fantastic intern this past year, Anna, whose creativity, dedication, and behind-the-scenes magic help keep everything moving forward.

As we step into the year ahead, I encourage you to stay engaged—attend events, get involved in committees, take advantage of programs, and help us continue growing by inviting others who believe in investing in our business community. Some of our best members come to us through referrals, and that kind of connection is what makes the Chamber special.

Thank you for being part of this Chamber, for supporting one another, and for believing in the impact of a strong business community. I'm excited about what's ahead and confident that we're just getting started.

Thank you and the rest of the Chamber team for developing this phenomenal topic and event - Marketing for Small Business (Coffee & Connections).

So many small businesses lack marketing budgets to promote themselves. This event shows them ways to increase their awareness in the marketplace.

Small businesses and start-ups benefit by volunteering and being visible to the public in a way that forces the public to notice them. Instead of paying for a billboard, volunteer at community events and be your own billboard.

Keep up the great work!

We have taken advantage of the Chamber's dedicated emails for our membership drive and trivia events, and we truly appreciate the extended reach they provide.

We believe the visibility and audience engagement we gain through the Chamber's network are incredibly valuable!

WHAT OUR MEMBERS SAY

Being a part of our Effingham County Chamber has been an invaluable blessing to us. The Chamber doesn't just connect businesses; it strengthens the entire community, including nonprofits like ours that serve families in crisis.

Through the Chamber, we have gained meaningful visibility, trusted relationships, and opportunities to share our mission. Katie and her team have helped to amplify our voice and opened doors that allow us to better serve those facing food insecurities and hardships.

The Chamber has been at every steppingstone Enduring Freedom Ministries has had including our second location at Mason!

We were awarded the title of Effingham County Chamber 4th Quarter Nonprofit for 2025 and we are so grateful! We love their heart connecting individuals, businesses, and other organizations together moving Effingham County forward towards a fantastic 2026

Vickie Kight, Chief Operating Officer | Enduring Freedom Ministries

In the effort to grow JEDCO Sales Inc., we decided to start going to more Chamber events, and the networking lunch at Pinky's was the first one.

I visited with another Chamber member about what we do at JEDCO and discovered they were actively looking for a corporate apparel store, which is one of our many offerings.

This luncheon led to an in-person meeting which resulted in one of our biggest new customers for the year. Each luncheon after that resulted in at least one estimate being sent out to a new interested client.

I see Chamber activities like this playing a key role in the future growth of JEDCO Sales Inc.

Andrew Dial, President | JEDCO Sales Inc.

The 2026 Annual Chamber Banquet was one of the best!

I have been attending these gatherings for almost 40 years, and you and your team's enthusiasm and genuine interest in Effingham County is palpable!

INCOMING BOARD CHAIR

As we welcome 2026, I am deeply humbled and incredibly honored to serve as your Chamber Board Chair. Stepping into this role fills me

with gratitude and enthusiasm—not just for what lies ahead, but for the remarkable foundation that has been built by so many dedicated hands and hearts within this community.

Our Chamber’s strength has never come from one person or one idea. It thrives because of the countless individuals working behind the scenes—board members, committee members, and an exceptional staff—who dream boldly, connect passionately, and bring vision to life. They are the quiet force that turns possibility into progress, and I am inspired daily by their commitment.

I want to extend a heartfelt thank-you to Jay Buehnerkemper for his leadership as Chair in 2025. Jay has been a steady guide and a source of wisdom, and our Chamber is stronger because of his dedication. We are grateful for his service.

A special and enthusiastic shout-out goes to our incredible Chamber staff: Katie, Becky, Nicole, and Michelle. This team is nothing short of extraordinary. Their energy, attention to detail, and unwavering service to our members and community set a standard of excellence. They are the backbone of the Chamber, and we cannot thank them enough for all they accomplish.

To our board, ambassadors, committees, and members—thank you. Your passion, your ideas, and your willingness to roll up your sleeves make all the

difference. You are the driving force behind the Chamber’s success and the reason our community continues to grow, innovate, and thrive.

As we look forward to the year ahead, I am filled with optimism. We have new ideas, renewed energy, and a deep belief in what our Chamber can achieve. But we cannot do it alone—we need you.

The more connected you are, the more the Chamber can serve you. Think of us as a powerful electrical source: when you plug in, you gain access to resources, connections, and a network that can energize your goals and fuel new opportunities.

This year, we want to listen. We want your honest feedback, your creative sparks, and your partnership in pursuing initiatives that elevate our community. When we work together—when we share ideas, support one another, and champion local success—the entire region rises.

Here’s to bold ideas, thriving businesses, and a future built together.

SARAH ZERRUSEN

2026 Effingham County Chamber Board Chair

OUTGOING BOARD CHAIR

As my term as 2025 Board Chair comes to a close, I want to express my sincere gratitude to our members, volunteers, Board, and staff for

your support and engagement throughout the year. It has been an honor to serve an organization that plays such an important role in strengthening business and community in Effingham County.

I want to especially recognize our Chamber team—Katie, Becky, Nicole, and Michelle. This year, you did an amazing job bringing forward new ideas and refreshing many of the programs our members have loved for years. You respected what has made the Chamber strong, while also introducing new energy through updated events and experiences. Your work is breathing new life and excitement into our membership and bringing the community together to build a stronger Effingham County for tomorrow.

To our Board and volunteers, thank you for your leadership, your time, and your willingness to step up. And to our members, thank you for investing in this Chamber and in our community—your involvement is what makes progress possible.

As we look ahead, I am confident the Chamber is positioned for continued momentum and impact. Please join me in welcoming and supporting our incoming Board Chair, Sarah Zerrusen. I look forward to staying involved and continuing to champion the Chamber’s mission alongside all of you.

INTERESTED IN THE CHAMBER AMBASSADOR PROGRAM?

Contact Membership Director Becky Brown at (217) 347-6283 or email bbrown@effinghamcountychamber.com.

The Ambassadors are dynamic members of the Chamber actively engaged in fostering the Chamber's development and expansion. They play a crucial role in recruiting new members, welcoming and hosting events, maintaining relationships with current members, and serving as a bridge between the Chamber and its membership.

After dedicating five years to the role of Chamber Ambassador, individuals may be considered for Grand Ambassador* status upon the recommendation of the Chamber President and approval by the Chamber Board of Directors. This prestigious designation is reserved for those who have displayed exceptional dedication and service both to the Chamber and as Ambassadors.

EFFINGHAM COUNTY CHAMBER SCHOLARSHIP PROGRAM

The Effingham County Chamber believes in the power of education and its role in building a stronger future for our community. Through our Chamber Scholarship Program, we invest directly in local students and adult learners pursuing their next chapter—whether college, trade school, or continuing education.

The purpose of the program is simple: support local learners, encourage growth, and strengthen the future workforce of Effingham County. Each year, the Chamber awards \$1,000 scholarships to graduating high school seniors and adult learners. We also award the Jack Graham Scholarship, established in 2021 to honor local visionary Jack Graham and support students entering healthcare, childcare, or vocational trades.

Since 1996, the Chamber has awarded more than \$264,000 to 226 recipients. Thanks to the generosity of our sponsors and the success of EffingHAM-JAM, we were proud to fund 15 scholarships for 2026—the most ever awarded in a single year.

We are grateful to partner with the Southeastern Illinois Community Foundation, which manages the application process to ensure fairness and accessibility. Applications are typically open from mid-January through mid-March, with eligibility extended to Chamber members, their employees, and immediate family members.

None of this is possible without community support. Every sponsorship, donation, and fundraiser directly helps create opportunities for local students.

EFFINGHAM-JAM

EffingHAM-JAM is more than a BBQ competition; it's one of the biggest ways our community supports local students.

Hosted each summer by the Effingham County Chamber, EffingHAM-JAM has become a signature community event featuring award-winning BBQ, live music, family-friendly activities, and hometown pride. Thanks to presenting sponsor Koerner Distributor, Inc., along with our sponsors, volunteers, teams, and attendees, the event continues to grow each year.

What makes EffingHAM-JAM especially meaningful is its impact. Net proceeds directly support the Chamber Scholarship Program. It's a celebration of great food, great people, and an even greater cause.

The Alliance

Effingham Regional Growth Alliance

Effingham Regional Growth Alliance serves as a leading economic development organization for Effingham County, focused on supporting business growth, attracting new investment, and strengthening the local economy. The Alliance works closely with existing employers to support retention and expansion efforts, while also helping recruit new businesses to the area.

With an emphasis on workforce development, quality of life, and long-term prosperity, the Alliance connects businesses with resources, data, and community partnerships that support sustainable growth across the region.

For more information, contact Courtney Yockey at (217) 342-4214 or cyockey@groweffinghamcountyil.com.

Effingham, home to more than 12,300 residents, serves as a regional hub for employment, shopping, healthcare, and recreation, with a daytime population that nearly doubles. Its strategic location at the intersection of Interstates 57 and 70 continues to attract businesses, fueling a strong and diverse economy.

The city is home to corporate headquarters and manufacturing facilities, along with 17+ hotels, 65+ restaurants, and abundant shopping and recreational opportunities—making Effingham a great place to live, work, and play.

For more information, visit EffinghamIL.com, follow us on Facebook @ [CityEffinghamIL](https://www.facebook.com/CityEffinghamIL), or call (217) 342-5300.

Organized in 2010, the Dieterich Business Association supports local businesses and strengthens the community by promoting economic growth, education, and a strong business environment.

Current initiatives include awarding two \$500 scholarships annually to graduating Dieterich High School seniors, fundraising efforts, and selling Movin' Moolah cards to encourage residents to shop local.

For more information, call (217) 925-5410 or visit Facebook @ [DieterichBusinessAssociation](https://www.facebook.com/DieterichBusinessAssociation).

The Effingham County Board governs the county with nine elected members, each representing a district of nearly 4,000 residents. Districts are updated every 10 years based on census data.

The board meets monthly on the third Monday (except holidays) and oversees:

- Real Estate Tax Levies and other local taxes
- County budget allocation
- Ordinances, resolutions, and intergovernmental coordination
- Countywide business operations
- Insurance and labor contract negotiations
- Public transportation through CEFS
- Committee appointments and departmental coordination

The Effingham County Board complies with the Open Meetings Act and uses Roberts' Rules of Order in all meetings. Stay informed and involved with your government. It works for you!

Founded in 1893, Dieterich is a growing, close-knit community of 890 residents with a strong history in farming and industry. A proactive Village Board continues to support growth, welcoming new businesses such as Maroon Spoon Ice Cream Shop, Montessori Kids Universe Daycare, The Rail Yard Bar & Grill, and RoadRunner Refuel.

The Village remains focused on economic development and offers financial incentives to encourage both residential and business growth.

Dieterich's 17,000-square-foot Wright Family Center is a valuable community asset. It features a daycare, 24-hour fitness center, gymnasium, and three community rooms. The center hosts meetings, family events, fitness classes, and sports leagues including basketball, volleyball, and pickleball.

Community pride shines through local traditions and events such as Small Town Christmas, the Turkey Trot 5K, and Fourth of July celebrations, as well as the outstanding leadership of residents like Tom Wright, named the 2026 Effingham Daily News Citizen of the Year.

Dieterich is proud of its strong K-12 school system, affordable healthcare, and engaged residents.

The Village of Teutopolis is a close-knit community rooted in hard work, strong traditions, and deep community pride. That spirit is carried forward through Teutopolis Community for Progress, an organization dedicated to supporting families, strengthening education, and enhancing public safety while helping guide the village's continued growth.

Working alongside the Village, Teutopolis Community for Progress focuses on collaboration, innovation, and thoughtful development that supports job creation and helps local businesses succeed. With a welcoming approach and a commitment to long-term progress, the organization plays an important role in ensuring Teutopolis remains a great place to live, work, and raise a family.

CHAMBER MEMBERSHIP

Being a Chamber member is about so much more than having your name in a directory. It's about real connections, real opportunities, and real value for your business. As we head into 2026, we're excited about the programs and benefits we have in place to help you save money, support your employees, and grow alongside other local businesses. Whether it's through cost-saving programs or meaningful conversations, the Chamber is here to walk alongside you every step of the way.

At the Chamber, we're always looking for ways to make your membership work harder for you. One example is our Chamber Energy Program. It's easy to participate, costs nothing to get started, and can help reduce your electric bills if you're an Illinois location using Ameren. Most importantly, it's a trusted program with no gimmicks—just another way we're looking out for our members' best interests.

We also offer our Chamber Shredding Program, which makes secure document disposal simple and affordable. Just give us a heads-up before you come by, and you can shred documents for only 50 cents per pound, paying with cash or check.

Our Chamber Insurance Program continues to be a valuable benefit for members looking to offer coverage to their employees. It only takes two or more participants to get started, and as participation grows, rates can improve. The program is supported by 23 Chambers of Commerce across Illinois and still allows you to work with our trusted local insurance agents.

New in 2026, we're introducing Better Your Business Roundtables—an updated and refreshed version of Coffee & Connections. These roundtables are designed to bring members together for focused conversations around timely business topics. Each session is meant to be practical, engaging, and full of real takeaways you can use right away.

You'll also continue to see us out and about through member visits. Giving us a great chance to connect face-to-face. I'll continue first-year anniversary

visits, renewal thank-you's, and quick check-ins to hear what's new with your business—whether that's new hires, milestones, or exciting updates. It's also a great opportunity to share programs or services that may be a good fit for you.

The Chamber is truly here for you. Please don't hesitate to reach out anytime with questions, ideas, or concerns. We appreciate your continued support and your belief in the Chamber and the work we do for our members and community.

MARKETING WITH THE CHAMBER

Hi friends, it's your favorite Chamber-branded, casually dressed, behind-the-scenes, love-of-local staff member.

If you've been following along on our social media, you've probably seen Katie's "A Day in Your Shoes" series and the inside look it gave into Chamber member businesses. From early mornings to busy afternoons and everything in between, it's been such a fun and authentic way to showcase the people behind the businesses that keep Effingham County moving. The response has been incredible, and we're excited to keep the series going. Even better, Becky and I are jumping in on the fun too, so expect even more personality, perspective, and real-life moments from inside your Chamber.

We've also reimagined our Chamber Bucks program, and this is one we're really excited about. Instead of a traditional gift certificate, Chamber Bucks are now issued as actual checks that your business can deposit just like any other check. No more holding onto certificates or bringing them back to the Chamber for reimbursement. Simply include it in your regular bank deposit and you're good to go. It works like a community-wide gift card that can be used at Chamber member businesses throughout the county.

We'll be featuring enrolled businesses on our website and routinely promoting the program through social media and print to help spread the word. A big thank you to Wabash Communications Co-Op for sponsoring this program and helping make it possible. We'd love your buy-in so we can include your business as part of it.

Speaking of visibility, our social media pages as a whole are growing, reaching more people, and gaining traction well beyond Effingham County. Other Chambers notice what we're doing, and what's even more meaningful is that their members notice it too. They see how active we are in the community, how often we're out supporting businesses, and how many opportunities we provide for connection, exposure, and engagement. That kind of recognition reflects directly back on you and the strength of our local business community. When you have news to share, an event to promote, or a milestone to celebrate, keep us in mind. We're always happy to help tell your story.

You've also probably heard about our Chamber Travel program. This one has nothing to do with marketing and everything to do with fun. It's simply a unique way to explore another country alongside fellow community members, build relationships, and connect outside of the usual day-to-day. You don't even have to be a Chamber member to travel with us. And honestly, you never know who you might meet along the way. Sometimes the best connections happen far beyond county lines.

At the end of the day, everything we do comes back to one thing: supporting local. From events and sponsorships to networking opportunities and community programs, we truly love seeing our members get just as passionate about what we're building as we are. Did you catch some of the member quotes earlier in this magazine? That's not just us tooting our own horn... although we'll admit, we're not above a little horn-tooting when it's deserved.

Thank you for being part of the Chamber and for trusting us to support you throughout the year. If you need help promoting something, brainstorming an idea, or figuring out how to get more visibility, please reach out.

Let us help you.

AMBASSADOR OF THE YEAR

DEBBIE WOMACK

Debbie Womack grew up in eastern Tennessee, and her soft accent still hints at her roots. She graduated from Tennessee Technological University in 1985 with a Bachelor of Science in

Business, with a focus on Management Information Systems. Debbie moved to the Effingham area in 2003 when her husband, Mike, accepted a position with Ameren.

Debbie brings more than twenty-five years of lending experience and has served the Effingham banking community as a mortgage and consumer loan officer for the past 17 years. Her local banking career began in 2009 with Prairie National Bank, which was acquired by First National Bank of Waterloo in 2015. Today, Debbie serves customers at the Effingham and Stewardson Banking Centers, specializing in residential mortgage and consumer loans. Over the years, she has helped thousands of loyal clients achieve the dream of homeownership.

Debbie has developed a strong passion for serving the Effingham community. She and her husband established a hobby farm where their children raised animals to show through 4-H at the county fair. That experience led Debbie to become involved with the Effingham County Fair Association. In 2018, she joined the United Way Board, where she later served a term as president.

Her community involvement continued with the Effingham Noon Rotary Club, which she joined in 2017. There, she assisted with treasurer duties and served as chair of the club's 100th anniversary celebration. Around the same time, Debbie became active with the Effingham Area Home Builders Association, once again serving in a treasurer role.

Her dedication to service naturally extended to the Effingham County Chamber of Commerce. Debbie became a Chamber Ambassador in 2018 and was recognized as a Grand Ambassador in 2023, while also serving on several working committees. With her consistent presence at ribbon cuttings, grand openings, and Business After Hours events, it comes as no surprise that she was named the 2025 Ambassador of the Year.

First National Bank of Waterloo Effingham Market President Jeff Bloemker shared, "I can attest to the time and passion Debbie Womack puts into her role as a Chamber Ambassador. She lives it weekly, if not daily. We're very proud of her."

Debbie resides in Effingham with her husband, Mike, who works for Clean Air Engineering in Palatine, Illinois. Her daughter, Sarah, is a Research Specialist with the University of Illinois Agriculture Poultry Research Farm, and her son, Andrew, is a graduate of Lake Land College's IT program.

Outside of work and volunteering, Debbie enjoys time on the family's 10-acre hobby farm in Stewardson, as well as camping, fishing, and attending live music events and festivals.

On receiving the Ambassador of the Year honor, Debbie shared, "Getting to meet and interact with the businesses where I live, work, and play is deeply gratifying. I'm thankful to the Effingham County Chamber for that opportunity."

For more than six decades McMahon Meats has been a staple in Teutopolis and the greater Effingham County area- a business rooted in tradition, community values, and a commitment to quality meat and customer service.

A TRADITION THAT BEGAN IN 1963

In 1963, Teutopolis Locker Service opened its doors under the guidance of Larry and Mert McMahon. At a time when meat lockers were central to rural life- offering custom processing and quality cuts- the McMahons were known for their genuine service and commitment to the local community. Over the years, the locker became a trusted source for families seeking handcrafted sausage, premium cuts, and dependable processing services.

When Larry McMahon passed away in 2002, it left a deep impact on the community and his family. He was remembered not just for his role as a business owner, but as a local figure whose influence extended beyond his work- a man whose work ethic and warmth set the standard for those who followed.

CARRYING ON THE TRADITION

Years later, with a clear vision and a passion for keeping the family legacy alive, Brent McMahon started McMahon Meats as the modern continuation of Teutopolis Locker Service. The new business

located at 1112 West Main Street in Teutopolis, preserved the hallmarks of the original operation- quality meats, personalized service, and a deep connection to the local community- while introducing a broader range of products and conveniences suited for today's customers. Wooden Shoe Development was instrumental in early business planning and assisting in ground acquisition.

Under Brent's leadership, McMahon Meats extended the core values his father stood for adapting them for his new customers. The shop offers a wide variety of fresh cuts of beef and pork, lighter options such as poultry and fish, and a selection of deli meats and cheeses sliced to order. A few local favorites include whole hog sausage, bacon, brats and stuffed pork chops. A wide selection of ready to serve options and delicious sides create easy family dinners. Embracing convenience, the business features a drive up window appreciated by young and old alike.

WHAT SETS MCMAHON MEATS APART

McMahon Meats stands out not only for the quality of its products but for its dedication to customer relationships and community engagement.

The blend of high standards and personal service is what gives McMahon Meats its enduring appeal. In an era when many small meat shops have disappeared or consolidated, McMahon Meats has continued the feel of a hometown butcher- welcoming customers by name and treating every order with care.

BEYOND THE COUNTER

Being a successful business in a small town means more than just selling products- it means being present in the community. McMahon Meats fulfills this role with authenticity. The shop's participation in community events and fundraising reflect an understanding that business success and community vitality go hand in hand. McMahon Meats partners with many local businesses providing quality meat for weekly buffets, menu selections and trusted ingredients.

Brent's leadership reflects both a deep respect for tradition and a forward-looking mindset. By maintaining the quality standards his father set while evolving to meet current needs, McMahon Meats has become not just a business but an ongoing legacy.

A HUMBLING HONOR

In January 2026, McMahon Meats was recognized as an Excellence in Business Award recipient by the Effingham County Chamber of Commerce. This honor acknowledges not just years in business, but the impact McMahon Meats has had on its customers, employees, and community partners.

For Brent, accepting this award was a full-circle moment—a tribute to his parent's legacy, the hard work of his employees, and the support of a community that embraces local business. Through growth, change, and challenges, the McMahon family's dedication to quality and service has remained constant.

LOOKING AHEAD

Today, McMahon Meats continues to thrive as a family-owned business that respects its roots and embraces the future. With every order, slice, and handshake, McMahon Meats reinforces what made the original locker service a community cornerstone decades ago: unwavering quality, friendly service, and a personal touch that large box stores simply can't replicate.

As the business moves forward, it carries with it the spirit of the past—honoring Larry and Mert McMahon's original vision while meeting the needs of tomorrow's customers. In doing so, McMahon Meats remains not just a place to buy great meat, but a cherished part of the community.

A LEGACY OF GROWTH, COMMUNITY, AND COMMITMENT

The Northside Ford Lincoln Mercury journey began in October 2006, when Mark Mayhood and Jake Traub assumed leadership and ushered in a new chapter under the Northside name. At that time,

the dealership consisted of a single aging building and a lot less inventory than we currently carry. As the automotive industry evolved, so did Northside.

What has remained constant is the dedication of the people behind the business. Many members of the original sales staff are still part of the Northside family twenty years later, joined by new faces along the way. Over the past two decades, the parts and service departments have more than tripled in size, reflecting the dealership’s steady growth and commitment to service excellence.

Today, Northside is home to nearly 50 employees, operates out of three buildings, and features a completely remodeled service and main showroom. The pre-owned vehicle center has also been renovated, and the building to the east has been transformed to support our every growing service department. Inventory has grown to more than 350 vehicles, making Northside Ford a vibrant, fast-paced destination for both shoppers and employees alike.

At the core of Northside’s success is a strong focus on people—creating a positive work environment with reasonable hours, a supportive culture, and an atmosphere that is both fun and rewarding. This philosophy extends directly to the customer experience, where the team strives to provide a welcoming, stress-free approach to vehicle shopping.

Northside Ford has been a trusted cornerstone in Effingham County for decades, serving the community well beyond the dealership doors. Their dedication to customers doesn’t stop once you drive off the lot—it’s a continuous commitment to exceptional service, top-tier sales performance, and genuine satisfaction.

What truly defines Northside Ford is not just the vehicles they sell, but the quiet, consistent ways they support the people of Effingham and the surrounding communities. Much of their generosity happens behind the scenes, but its impact is felt by many.

Throughout the year, Northside Ford supports a wide range of local needs—from sports and academics to community events and more. Beyond these

sponsorships, the Northside team also gives internally to non-profits, with the dealership matching every contribution to double the impact. Each December, Northside designates a special week to order from locally owned restaurants every day, reinforcing its commitment to “shop local.” This effort is now expanding into a full “Month of Giving,” where the dealership partners with additional charities and non-profits to give back on an even broader scale—all while choosing to remain humble in their approach.

Northside Ford also introduced the “Open Tab” campaign into Effingham County, collaborating with local businesses once a month through simple acts of kindness and pay-it-forward moments. These events come with no strings attached and exist solely to uplift the community and support other growing businesses.

Alongside their dedication to the community and their customers, this company continually invests in their employees—a commitment made evident by the many long-tenured team members who have chosen to build their careers here. They’ve also broken ground on a new car wash, a project that will bring additional economic growth to the area. Northside Ford embraces fresh ideas and keeps the door open to new possibilities.

The automotive industry has faced constant change—from fuel price spikes and global uncertainty to the challenges of COVID-19, rising interest rates, and market fluctuations. Through it all, Northside Ford has remained committed to offering a strong inventory, meaningful employment, and exceptional customer service to the Effingham area and beyond.

We love Effingham, and it has been an honor to give back to the community we proudly call home.

God Bless Effingham.

The **Effingham 2050 Comprehensive Plan** serves as a road map for Effingham's next 25 years, building on decades of planning and community engagement to guide growth, development, and investment.

The plan addresses key aspects of community life, from land use, housing, and transportation to parks, recreation, and cultural enrichment. It supports coordinated decision-making among City leaders, staff, and partners while establishing clear goals and strategies.

Since 1959, comprehensive planning has guided Effingham's growth. The new plan continues that legacy while prioritizing community needs and recognizing Effingham's role as a regional economic hub alongside nearby communities such as Teutopolis, Lake Sara, Heartville, Altamont, and Dieterich.

THE PLAN IS USED BY:

Elected Officials to guide policy decisions, budget priorities, and long-term investments.

City Staff and Departments when developing capital improvement plans, evaluating development proposals, updating ordinances, and applying for grants.

Developers and Investors to understand the community's vision, preferred land uses, infrastructure priorities, and areas for development.

Residents and Organizations to stay informed about planned improvements and community goals, advocate for neighborhoods, support grant efforts, and participate in local initiatives.

Boards, Commissions, and Planning Bodies when reviewing proposals, rezonings, and major projects, serving as a foundation for decision-making.

Development of the plan included a review of past efforts and broad community input through an online survey with more than 1,000 responses, focus group meetings, and a Steering Committee. Topics included workforce and housing, downtown development, transportation, parks, sustainability, and community services. Planners also connected with residents at community events, while City staff provided insight and expertise to ensure the plan is practical and aligned with ongoing initiatives.

EFFINGHAM BY 2050

- Sustainable, affordable, and high-quality living options for all residents.
- A thriving Downtown Effingham that maintains a welcoming, small-town atmosphere.
- Strong commercial, retail, industrial, and agribusiness growth serving the region.
- A community prepared for the future workforce.
- Efficient and effective public safety services.
- A connected, resilient community with accessible, high-quality services and utilities.
- An efficient, safe transportation system, including public transit.
- Exceptional freight, rail, commuter, and air services supporting the region.
- Parks, trails, and recreation promoting healthy lifestyles and community connections.
- A vibrant cultural life that positions Effingham as a premier regional tourism destination.

Effingham Unit 40 Schools are committed to developing the future workforce by giving students meaningful, hands-on learning experiences aligned with real careers. At Effingham High School, Career and Technical Education (CTE) pathways are designed to connect classroom instruction with local industry needs, ensuring students graduate with both practical skills and valuable credentials.

EHS offers a wide range of career pathways that reflect the region's workforce demands. Students interested in manufacturing can pursue the Manufacturing Systems Machinist pathway, while those drawn to design and building trades explore CAD and Drafting, Construction Trades, and CTEC within the Architecture and Construction pathway. The Agriculture and Environmental Systems Ag Welding program provides hands-on welding training that aligns with local agricultural and industrial needs.

For students pursuing healthcare careers, the Health Occupations/CNA pathway prepares them for entry-level positions in the medical field. Business-minded students can develop skills through Entrepreneurship and the CEO Program, Information Processing and Practical Software, and Accounting.

Additional pathways include Child Care Provider, Culinary Arts, Computer Programming, Multimedia, and Graphic Arts, offering students exposure to both technical and creative career options.

These pathways are strengthened by industry-recognized certifications that allow students to graduate with credentials that are valued by employers. EHS students have the opportunity to earn OSHA 10 Safety, Food Handler's Certification, Food Service Sanitation Manager Certificate, Certified Nurse Assistant (CNA), Manufacturing Skills Certificates through Lake Land College, Early Childhood Education Level 1, CPR, the Illinois Seal of Biliteracy, and more. Students will soon have the opportunity to earn the Microsoft Office Specialist certification, further enhancing workforce readiness.

To strengthen the network between students and the local workforce, EHS will host its first Career Connections Day on Friday, March 20, 2026. This event invites local businesses, organizations, training programs, and post-secondary institutions to engage directly with high school students and showcase the career opportunities available in the Effingham community.

Participants may lead 35-minute, hands-on classroom sessions highlighting their industry or host a table in the gymnasium during a traditional career fair. Interactive demonstrations and real-world examples are strongly encouraged to help students understand career pathways and workplace expectations.

Effingham Unit 40 invites local businesses to partner in shaping the next generation of skilled workers.

Those interested in participating should complete the interest form by February 20 at bit.ly/Unit40CTE. Questions may be directed to Laura Sullivan, CTE Programs and Pathways Director, at 217-540-1100 or email sullivanl@unit40.org.

Last year marked a milestone for HSHS St. Anthony's Memorial Hospital as it celebrated 150 years of caring for the community. Alongside the anniversary, the hospital continued to grow its services to ensure high-quality, advanced care close to home for years to come.

Final Mosaic Panel Unveiling

In April 2025, St. Anthony's unveiled and blessed the third and final mosaic panel by Dr. Ruben Boyajian, artist and HSHS Medical Group general surgeon. Inspired by the "Canticle of the Sun" prayer, the completed artwork honors the victims of the hospital's 1949 fire and reflects the community's faith and resilience.

Wound Healing Center 15th Anniversary

August 2025 brought another milestone as the Wound Healing Center celebrated its 15th anniversary. The center also achieved its 15th consecutive Healogics Center of Distinction award—making it one of only two centers nationwide to earn the honor for 15 straight years.

New Center for Pediatric Therapy

In fall 2025, St. Anthony's opened its new Center for Pediatric Therapy at 904 Medical Park Drive in Effingham. The 4,600-square-foot facility is the region's first comprehensive pediatric therapy center, serving Effingham, Coles, and surrounding counties with advanced, child-focused therapies designed to support development, mobility, and independence.

EXCELLENCE IN ACTION!

2025 marked a year of major milestones for J&J Gaming, highlighted by growth in team, services, and industry impact.

J&J Gaming was shortlisted for **Land-Based Operator of the Year by the 2025 Global Gaming Awards**, recognizing the dedication of its team, trusted partnerships, and growing patron base. These efforts have positioned J&J Gaming as the top revenue-generating distributed gaming operator in the United States.

"This is a new accomplishment for J&J as a team, and I am incredibly proud of the work put in to achieve such recognition on a global level," said CEO Bob Willenborg.

NAMED FASTEST-GROWING PRIVATE COMPANY!

Each year, the **Inc. 5000 National Series** recognizes the fastest-growing private companies in the United States. J&J Gaming earned its **third consecutive appearance on the Inc. 5000 list**, ranking #3,839 nationally and #130 in the Midwest Series.

As an Effingham-based company founded in 1929, J&J Gaming is proud to represent its community on a national stage. Built on integrity, focus, and progress, J&J remains committed to innovation, exceptional service, and providing businesses the tools they need to succeed.

HELPING BUSINESSES ELEVATE THEIR BRAND FOR MORE THAN 40 YEARS.

For more than four decades, JEDCO Sales has helped businesses across Effingham County and beyond elevate their brand through high-quality promotional products and branded apparel. As a third-generation, family-

owned company, JEDCO combines personal service, industry expertise, and a deep understanding of what organizations need to stay competitive.

Owned and led by Andrew and Laren Dial, JEDCO continues its legacy while investing in new capabilities, technology, and services to support modern businesses.

From embroidered apparel and custom hats to laser-engraved gifts, online company stores, and curated kitting projects, JEDCO offers end-to-end branding solutions for organizations of all sizes. Much of the customization is handled in-house, supported by an extended production network with access to millions of product options.

JEDCO's team of in-house graphic artists and branding specialists guides customers from concept to completion—no artwork required. Value-added services like free local delivery, warehousing, fulfillment, and company stores make managing branded merchandise easy.

Rooted in Effingham and committed to the community, JEDCO Sales takes pride in helping local businesses grow and stand out—one logo at a time.

JEDCO is ready to help you plan smarter and stay on brand.

Land of Lincoln Credit Union (LLCU) is a state-chartered financial institution founded in 1947 to serve employees of the Decatur Signal Depot. Originally launched with \$45,000 in assets and 475 members, LLCU became a community credit union in 1987, expanding its membership to Macon County and adopting its current name.

Through mergers and continued growth, LLCU now serves anyone who lives or works (or their immediate family) in 28 Central Illinois counties. Today, LLCU has more than \$500 million in assets, nearly 40,000 members, and 15 locations across 10 cities. Robert Ares has served as President & CEO since 2018, leading the organization through a period of significant growth.

LLCU's mission is to provide education and tools that help members achieve financial success—symbolized by the apple in its logo. The credit union offers free financial counseling to everyone through online resources, social media tips, one-on-one sessions with over 75 Certified

Financial Counselors, and on-site workshops for schools, businesses, and community organizations. Learn more at www.llcu.org

LLCU also provides a full range of personal and business financial services, including checking and savings accounts, loans, credit lines, money markets, IRAs, and HSAs. Committed to giving back, LLCU staff contribute at least 2,000 volunteer hours annually, and over the past five years, the credit union has donated more than \$1 million to charitable causes throughout Central Illinois.

To learn more about LLCU, visit llcu.org or follow us on Facebook, Instagram, X, TikTok, LinkedIn, & YouTube.

For nearly 75 years, Wabash Communications has proudly served South Central Illinois as a locally owned, community-focused telecommunications cooperative. We aren't a big, out-of-state provider—we're your neighbors. Our employees live and work in the same communities we serve, and that local connection shows in everything we do.

Wabash provides reliable, future-ready services including 100% fiber-optic internet, streaming TV, phone service, Arlo security, and customized business solutions. Whether you're working from home, running a farm, managing school, or growing a business, Wabash delivers services built to meet real needs.

Every fiber internet package includes ProtectIQ, a built-in security service that helps block online threats, along with WabashIQ, a free app to manage home Wi-Fi and connected devices. Families can also use ExperienceIQ for advanced parental controls and bandwidth prioritization.

Giving back is central to who we are. Wabash proudly supports local schools, community events, youth programs, and economic development initiatives throughout our service area.

With offices in Dieterich, Louisville, Flora, and Salem—and 24/7 on-call technicians—help is always close by. Wabash Communications remains committed to reliable service, local support, and technology built to last.

EVOLUTION IN EXCELLENCE

WHERE TRADITION MEETS TOMORROW

(L to R) Dr. Maya Buhler, Martha Stice, Rick Siemer, Katie Summers, Karin Buhler, and Jeannine Buhler.

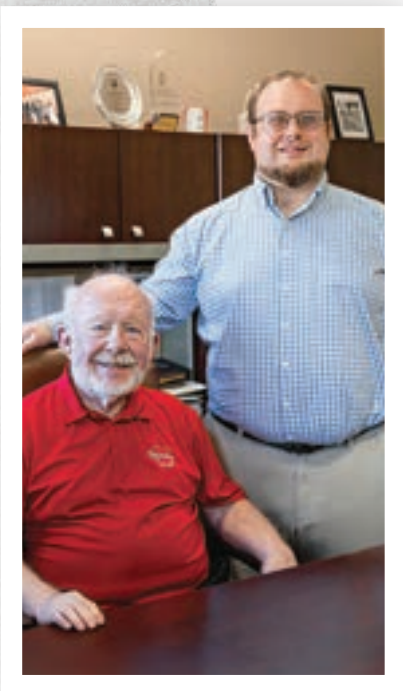

Celebrating a 65 Year Partnership

President Rick Siemer, with daughters Martha Stice and Katie Summers at Bühler's Commemorative Partnership ceremony in Uzwil, Switzerland. Our long-time relationship with Bühler has been key to our growth and innovation.

Celebrating 50 years of leadership.

Rick Siemer was honored for his first 50 years with Siemer Milling Company with a surprise reception.

The Next Chapter

After 50 years with Siemer Milling Company, including 39 years as President, Rick Siemer has built a legacy of excellence that defines the industry. Now his son Henry steps into the presidential role, ready to write the next chapter of the family's story.

In Memory - Tony Siemer (1944-2025)

Long-time Siemer Milling Company attorney, distinguished community member, and brother of Rick Siemer

BUILT FOR BUSINESS

Empowering your goals with tailored banking solutions.

Business Checking and Savings Accounts

Put your money to work with secure, efficient banking solutions designed to support your goals.

Commercial Loans

Fuel your next big move with flexible financing options for new purchases, projects, and expansion.

ACH Payroll and Payments

Streamline payroll and vendor payments with ease through Business Online Banking.

Merchant Services

Boost customer satisfaction with safe, seamless debit and credit card transactions.

Remote Deposit Capture

Deposit checks immediately upon receipt with the use of an electronic scanner.

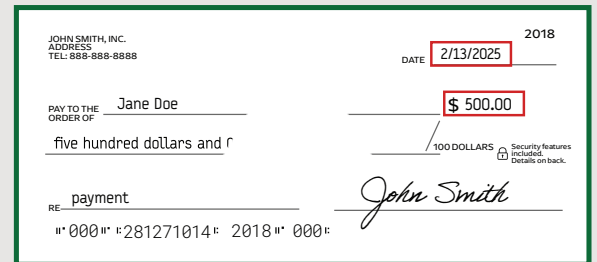

Health Savings Accounts (HSAs)

Give your team a valuable benefit with HSAs tied to High Deductible Health Plans.

Protect Your Business with Positive Pay

Fraudulent checks and unauthorized ACH transactions can cost your business time and money. **Positive Pay** helps prevent check fraud by verifying issued checks before they clear and identifying discrepancies.

ACH Positive Pay adds another layer of security by allowing only approved vendors to debit your account, with real-time alerts for unauthorized transactions.
